

## All parties at The Clay Studio include:

- Invitations that can be downloaded from our Web site.
- Full use of paints, brushes and other resources.
- Supervision, help and encouragement from trained The Clay Studio staff.
- Helium balloons on each child's chair.

In addition, parties of ten children or more have the following:

- Exclusive use of the Gallery Room.
- Plaque in the Hall of Fame - **NEW!!**
- Personalised signing plate for the birthday child.
- Full-time party host from The Clay Studio.

## Optional extras

- Additional Helium balloons £1.50 each
- Chocolate fountain £3 per head, minimum £15. Minimum age 10.
- Add a balloon themed bouquet—see our book of design options—from £10.99.

## Why not theme a party?

Make your party more of an occasion by encouraging the children to dress up. You can even follow the theme through with the choice of pottery or what they paint on the pottery.

For younger children under six we recommend that our staff provide a project for them. This means that they are able to gain maximum benefit from their time at The Clay Studio, learn something and have a piece that they can be proud of.

## Booking your party

1. Check with us that your chosen date and time is free.
2. Party is confirmed on receipt of 50% of painting fee as deposit.
3. Complete party booking form.
4. Call us a few days before the party with final numbers and any special dietary requirements.

# The Clay Studio Children's Parties

Painting pottery is an excellent activity party for children. They have fun painting, learn some new skills and have something they can keep to remind them of the party. At The Clay Studio we ensure that they have a great time and produce something of which they can be proud.

We have four different party options (including our new Pamper Party) to suit your budget and number of guests. This also gives choice for the children and ease of organisation for parents. We are a large studio and can accommodate both small and large parties. We can seat up to 24 in our upstairs Beach Room and around 40 downstairs. The Clay Studio is the ideal choice for that special party for your child and their guests.

## How it Works

We use paints and glazes that are non-toxic, food-safe and can be cleaned off clothes with a damp cloth.

Our trained staff will provide full instructions as well as help and encouragement while painting. We will show some simple but effective techniques so that the children are encouraged to produce pieces that will be special. For younger visitors we recommend painting a project with instruction by a member of staff. Parties of ten or more will have a member of staff permanently with them.

**All parties are 1.5 hours duration without food and 2 hours with food**
