

## Mother & Baby Day

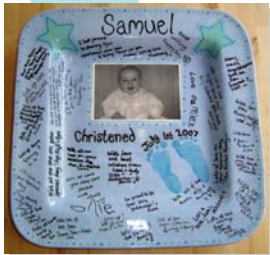

At The Clay Studio we have designated every Tuesday Mother & Baby Day. While you are free to visit every day, Tuesday is a day to meet other young mothers and relax over a coffee and more. We have baby changing facilities and plenty of room for prams. Of course dads are just as welcome.

If you wish to paint on Tuesdays then there is a 50% discount on our normal Studio Fee.

## Souvenir items

Other options available at The Clay Studio include photo plates, christening or baby naming celebration items or personalised presents for the family.

# The Clay Studio

## First Impressions

At The Clay Studio we have a variety of options for capturing your baby or child's early years.

Create a lasting memento. These make ideal gifts for parents, grandparents and other family members.

## Clay Imprints

This option is suitable for all ages. Wet clay is used to capture the prints. The piece is then finished to your own specification, colours, names, dates, etc. The process usually takes around five-six weeks. Advance booking is required for this. The price includes bespoke framing.

Double print: £65

Single print: £60

(Without frame - single £35, double £45) Other framing options are available, e.g. with photograph.

## Plaster Outprints

This option is ideal for younger babies as an extremely soft clay is used to capture their prints. This clay becomes a mould to make a 3D plaster outprint of your child's hands, feet or both. The plaster prints are then decorated to your bespoke specification. This is a faster process than the clay imprints with the final print usually ready in about two-three weeks. Advance booking is required for this.

The price includes bespoke framing.

Single print: £75 Double print: £80 (Other framing options are available, e.g. with photograph.)

## Painted Hand & Foot Prints

This allows you to paint the child's hand and footprints on almost any pottery item at The Clay Studio. Popular pieces are plates, mugs, photo frames and vases. A set of painted prints with a personal message makes a very special present for relatives or friends. The pieces are usually ready for collection within four days.

Price: £4.50 Studio Fee plus cost of bisque

## Silver Clay Jewellery

You can create unique jewellery that incorporates your child's hands or feet. Choose from cuff links, pendants, tie pins, key rings, charm bracelets or lapel pins.

Pieces are supplied in a presentation box and are ready for collection in around two weeks.

Prices vary according to piece.
